

**Dawn Ramsburg, Ph.D.**

Division Director, Program Operations  
Office of Child Care, Administration for Children and Families,  
U.S. Department of Health and Human Services

Dr. Ramsburg is interested in using research and data to build strong programs. She brings State- and local-level program and research experience to the Office of Child Care (OCC) in the Administration for Children and Families. In OCC, she is the

Division Director of Program Operations which oversees the administration of the CCDF program by states, territories and Tribes.

Dr. Ramsburg conducted research on child care supply and demand, child care workforce issues, child care market issues, family child care and license-exempt care for the Illinois Department of Human Services and worked within the Illinois Network of Child Care Resource and Referral Agencies for more than 9 years. She has also been a toddler teacher and has worked with low-income families in various community settings.

Dr. Ramsburg earned her Ph.D. in human development and family studies from the University of Illinois at Urbana – Champaign.
